Subject: Mangalore – Merger of Mangalore Port Fund and Mangalore Port Trust Fund – Proposals.
Ref: G.O.Ms.No.1617 P.W. dated 10th April, 1952.

****

The Government in their order cited stated that the proviso to section 36(2) of the Indian Ports Act 1908 permitting the merger of the Port Fund Account with the General Account of the Port, applicable to Ports such as Tuticorin. "The Mangalore Port Trust" has since been constituted at the Port of Mangalore on line with Tuticorin and therefore the proviso to Section 36(2) of the Indian Ports Act is equally applicable to Mangalore.

2. On constitution of Mangalore Port Trust, the Mangalore Port is having its own "Port Fund" and also a general account (Mangalore Port Trust Fund) of its own (vide section 35(2), 36 and 99 of the Mangalore Port Trust Act 1963). Section 53 of the Mangalore Port Trust Act authorises the payment of the balance amount available under the Mangalore Port Fund to the Board which in other words is an implication indicating the credit of the balance amount under the Port Fund to the General Fund of the Mangalore Port Trust. The Mangalore Port Trust Board, therefore, in its resolution dated 14.2.1955 (copy enclosed) proposed to amalgamate both the Mangalore Port Fund and the Mangalore Port Trust Fund into one fund under the Port Trust.

3. I request therefore that the Government may be pleased to accord sanction to the above proposal.

4. The accounts, however, will be, as at present, maintained for both Mangalore Port Fund and Mangalore Port Trust Fund separately but one Budget Estimate comprising the accounts of both the funds will be prepared and submitted in future under Section 88 of the Mangalore Port Trust Act.
